WHY BECOME AN ACADEMY MEMBER?

All those interested in discussing, studying, researching, and/or reading and hearing about all aspects of spirituality, consciousness, the afterlife, afterdeath communications, energy healing, mediumship, reincarnation, book reviews and much more, are sincerely invited to join with us. We are a non-profit organization, guided by an all-volunteer board of directors, that was founded in 1972 as The Academy of Religion and Psychical Research. Since then, we've continued to hold annual conferences, publish conference *Proceedings*, a semi-annual journal: *The Journal for Spiritual and Consciousness Studies*, a bi-monthly newsmagazine: *The Searchlight* and our online newsletter *Spirituality Matters*. Most importantly, you will be supporting and may find satisfaction in serving with a dedicated group of people who are building a dynamic and growing organization.

A SUPERIOR RESOURCE

If you are a journalist or author seeking authoritative data, a counselor searching for stories to assist clients, or simply one who wants clear and meaningful explanations regarding the reality of spirit and the afterlife, you will find the Academy's website (www.ascsi.org) is an amazing collection of informative and fascinating materials.

Our website has numerous cases showing the best evidence of the continuation of the human personality beyond the demise of the physical body. Also includes biographies of the most important contributors to psychic research, as well as interviews with many of them.

If we don't have what you seek, we will tell you where to find it by using the Worldwide Event Calendar and the links to scores of organizations and web resources.

We invite you to join ASCSI and enjoy all the benefits described above. Visit our website for membership applications, as well as registration for our upcoming conferences.

MISSION STATEMENT: The mission of The Academy for Spiritual & Consciousness Studies, Inc. is to discern, develop and disseminate knowledge of how paranormal phenomena may relate to and enhance the development of the human spirit.

PURPOSES OF THE ACADEMY

The Academy for Spiritual and Consciousness Studies, Inc. (ASCSI) (named June 15, 2012) was formerly The Academy of Spirituality and Paranormal Studies, Inc. which was incorporated in Connecticut on December 12, 2005 as a 501(c)(3) tax-exempt, non-profit organization. Its purposes are threefold:

FIRST, to encourage dialogue, exchange of ideas and cooperation among theologians, scientists, researchers, academics of religion, philosophy, and all scientific and humanistic disciplines in the fields of psychical research, quantum mechanics, consciousness and spirituality studies, new disciplines, as well as the historic sciences in the area where spirituality and consciousness interface.

SECOND, to work closely with all reputable organizations having related interests in the above fields.

THIRD, to conduct an education program for these scholars, the membership and the general public, blending existing data with the interchange of views stimulated in these scholars to the end that the academic, scientific and religious communities may be better informed about such facts and views, their propriety, value and respectability.

ACADEMY PROGRAMS

The ACADEMY sponsors conferences for the presentation of scholarly data, points of view, and interchange of ideas in the area where the above fields interface; publishes papers resulting from such meetings and other appropriate materials on this area; and monitors, evaluates, explains and reports significant data in this area for the benefit of scholars, members and the general public. In 2014, the topic was *New Developments in Afterlife Communication*.

Proceedings of these conferences sell for \$12 each. As of the 2011 conference, presentations were recorded on CDs in MP3 format and sell for \$25 each.

The themes for recent conferences have been: 2000 – Frontiers of Consciousness for the New Millenium.

2001 – Cosmic Consciousness, Near-death Experiences, and the After-Life.

2002 – Mediumship: Gateway to Other Dimensions of Existence.

2003 – Varieties of Religious & Psychical Experiences: Personal and Global.

2004 – The Sixth Sense and Beyond.

2005 – Mythology, ADC, and the Soul.

2006 – Paranormal Experience and Spirituality.

2007 – What Do We Know about the After-Life?

2008 – Beyond the Veil: Evidence for Life after Death.

2009 – 2012: Spirituality, Science & the Paranormal.

2013 – Spirituality, Consciousness and Science.

2014 – Go to Amazon.com, select Books and ask for Afterlife Communications.

2015 – Go to Amazon.com and enter Aspects of Consciousness. This will go to the order link.
